TO THE TRADE:

September 1, 1937.

Gentlemen:

HERE IS REAL NEWS!!

This month we offer some particularly fine TWO YEAR OLD Goldfish at the usual low price of young fish hatched last Spring. These fish are clean, strong, well prepared and "hardened" so they will stand up in stores during these trying weeks until cold weather. Your losses in handling our fish should be absolutely negligible. Order a can and convince yourself of the fine value in LAKEVIEW GOLDFISH.

TERMS: Our terms are net cash with order unless satisfactory credit has been established with us. Live delivery is guaranteed on all perishable items including Tropical Fish shipped during warm weather. Prices are F.O.B. Cincinnati, Ohio, subject to change without notice.

NOTE: Please return our empty cans promptly including any you may now have on hand.
